## Kick pad price list:

If you want to buy a Roland bass drum, buy it used. I got them for almost half the price. Here is my price list (Europe) for all Roland e-drum kick pads:

KD-7: new 110€, used 60-80€

KD-8: used 50-70€

KD-9: new 150€, used 80-100€

KD-80: used 140-180€

KD-85: new 290€, used 180-200€ (go for the KD-80, same pad)

KD-120: new 480€, used 200-300€

KD-140: new 700€, used 400-550€

All prices for used pads are from my own experience. I wouldn't pay more for any of them.
